## **Doctor's PRESCRIPTION** when system is sluggish; costs nothing to try

When your bowels need help, the mildest thing that will do the work is always the sensible choice. Take a laxative that a family doctor has used for all sorts of cases of chronic constipation. used for all sorts of cases of chronic constipation. Dr. Caldwell's Syrup Pepsin is so pleasant to the taste, so gentle in its action, it is given children of tender age and yet it is just as thorough and effective as stronger preparations. Pure senna, and harmieses lanative herbs; ingredients that start a gentle muscular action. Avoid a coated tongue, gaden breath, bilious heedaches, etc. E-fery drug store has Dr. Caldwell's amount presention in hig bottles. ## Of Course Sixes Beat Fours But in the **ESSEX** Challenger

# you get a Super-Six

Its patented Super-Six principle gives the New Essex Challenger easy dominance over conventional Sixes. Look at the records. More than 5,000 New Essex Challengers set them. They represent local, national and world records in a great many cases. They show what any New Essex Challenger can do. No "Six" ever proved such all-round Performance, Reliability and Economy.

More Important Still Essex Keeps Its Newness for Years

In this you will appreciate the Super-Six principle. Years of driving do not make this Essex old. The pep, economy and sumrtness are still there. And they are there to stay.

The secret is that Essex is free from vibration. It remains tight, free of squeaks and ratifics. And it saves driver and car from sorve pound ing discounforts.

Its modern, balanced design accounts for this It includes the Super-Six principle, belanced aluminum pistone, belanced power line, from cranichaft to rear and, and the Lanchester

Big and Roomy, Too The new Essex Challenger is big and roomy with ample interiors and greater comfort.

Besutiful interior appointments carry out the fineness and distinction of this car. Éveryone knows Sixes best Fours. Every owner knows that a Super-Six as decisively beats the

Can You Get 10 Baths With One Bar of Soap?

The gas used to heat water for ten boths would not cost as much as one bor of soap even if your gas rate was 75 cents per thousand cubic feet, which is more than is asked.

If you have any complaints regarding your gas service let us know. We are anxious to please.

## **L**ight-cylinder motoring its LOWEST COST.

Eight-cylinder motoring with all its thrills is no longer expensive. De Soto has seen to that. The new De Soto (world's lowest-priced Eight: is today climbing into nation-wide popularitybecause it is far and away the biggest achievement in value in eight-cylinder history. This beautiful new motor car is one of quality all the way through. There is no hint of price in its smartness, or in its richness of appointment-and it rises far above price in the delightful appeal of its performance. Take the wheel of a De Soto Straight Eight and
